

Freedom of Information Request
Received 15 December, 12:03

Details of the tangible results The Promise has delivered each year since its inception.

How The Promise has delivered on its founding commitments.

What tangible results The Promise expects to deliver over the next three years.

The Promise Scotland recruited its first Chief Executive and completed the appointment of its board of Directors in autumn 2022. They are currently considering how to measure and monitor the effectiveness of the Promise Scotland, with the intention of developing an outcomes map over the coming months. Further information about this will be shared on The Promise Scotland's website in due course.

The Promise Scotland launched a new website in November 2022 which is being populated. At present it provides information on the company's [set-up year](#) and key current [work programmes](#).

It also provides information about The Promise Oversight Board, including their first [report](#), published in May 2022.

The organisation is in the process of developing its strategic plan in tandem with the work on outcomes. Further details will be available on the website as this work progresses.

Other than as set out above, and pursuant to section 17 of FOISA, we do not hold information that relates to your request.
