

Freedom of Information Request  
Received 15 December, 12:19

**The latest update / progress report of plan 21-24.**

The Promise Oversight Board has the responsibility to monitor progress against Plan 21-24. They published their first report in May 2022 and are working towards publication of Report TWO later this year. Report ONE can be found [here](#) on The Promise Scotland's website.

**A copy of the data monitoring evaluation model/ methodology which measures the value for money and effectiveness of The Promise Scotland in delivering policy and the plan 21-24.**

As above, Plan 21-24 is Scotland's plan and progress against its implementation is reported on by the Promise Oversight Board.

The Promise Scotland recruited its first Chief Executive and completed the appointment of its board of Directors in autumn 2022. Work is underway to consider how to measure and monitor the effectiveness of the Promise Scotland, with the intention of developing an outcomes map over the coming months. Further information about this will be shared on The Promise Scotland's website in due course.

The Promise Scotland's website includes information about the first year of The Promise Scotland's activities in the [Set Up Year report](#).

Other than as set out above, and pursuant to section 17 of FOISA, we do not hold information that relates to your request.
