We hold a very significant volume of information that is covered by the scope of this part of your request and we estimate that the cost of complying with this would exceed £600, in excess of the limit set under Section 12 of FOISA. We may be able to provide the information you require if you can indicate a narrower period of time, or specific subject matter, in which you are interested.

As per our phone conversation and my subsequent email of 10 December 2023, I would be happy to meet with you to discuss how we can assist you to identify the information that you require.
